Important Information

Surrender

Surrender means the right to cancel an annuity or life insurance contract in exchange for its cash value.

One full surrender OR partial surrender is allowed after the first 12 months that the policy has been in force and is calculated at market value of the investment as at the date of the surrender. An administration fee is applicable, calculated by applying a percentage to the surrender value plus a fixed rand amount (currently R500). Clientèle Life reserves the right to amend the rand value at its sole discretion. The percentage applicable is as follows:

Policy Year	Administration Fee %
2	1.75%
3	1.50%
4	1.00%
5	0.5%

EXAMPLE (ILLUSTRATIVE ONLY IN POLICY YEAR 2)

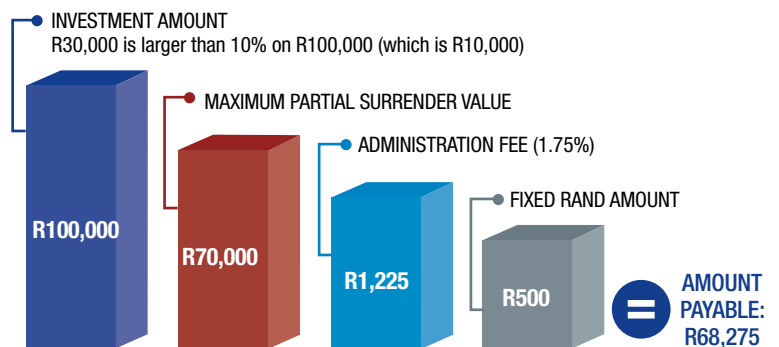

Partial Surrender

Partial surrender means the removal of a portion of the original cash balance of an insurance policy.

One full surrender OR partial surrender is allowed after the first 12 months that the policy has been in force and is calculated at market value of the investment as at the date of the partial surrender. The larger of 10% of the investment amount or R30,000 must remain in the policy. An administration fee is applicable, calculated by applying a percentage to the partial surrender value plus a fixed rand amount (currently R500). Clientèle Life reserves the right to amend the rand value at its sole discretion. The percentage applicable is as follows:

Policy Year	Administration Fee %
2	1.75%
3	1.50%
4	1.00%
5	0.5%

EXAMPLE (ILLUSTRATIVE ONLY IN POLICY YEAR 2)

Surrender amounts are limited to the original investment plus a maximum of 5% annually compounded interest. Should the cash be higher than this limited amount, the remainder will be paid to you in the policy's maturity date.

In order to receive the full benefit of your investment it is advisable that the initial investment amount be held until maturity.
