## Typographical Error in Condensed Unaudited Group Results for the Six Months Ended 31 December 2022

Clientèle Shareholders are referred to the announcement dated 27 February 2023 regarding the condensed unaudited group results for the six months ended 31 December 2022 (the “Interim Results”) and the full announcement thereof which is also available on Clientèle’s website: <https://www.clientele.co.za/results-announcements/>. The Interim Results contained a typographical error (“Typographical Error”) as described below.

### The Typographical Error in the Interim Results

The Typographical Error can be found in the Condensed Group Statement of Changes in Equity section and relates to the removal of the “ordinary dividend” amount of “(368,854,000)” that was erroneously included under the movement of the balances for retained earnings between 1 January 2022 and 30 June 2022 on page 6 of the Interim Results.

The Typographical Error had no impact on net profit for the period, total comprehensive income, shares issued, or any other amounts or figures included under the Condensed Group Statement of Changes in Equity table.

The tables below illustrate the Typographical Error and subsequent correction:
