

Clientèle

AIG Replacement Funeral Terms and Conditions

October 2023

Terms and Conditions AIG Campaign

1. In order for Clientèle Life to issue you with a Clientèle funeral policy, your current AIG funeral policy must be active and your policy premium payments must be up to date.
2. You must send your funeral policy documents or funeral policy schedule to us so that we can confirm your cover and premium. Simply email them to replace@clientele.co.za or WhatsApp them to 078 558 0222.
3. Once we have reviewed your documents and your cover and premiums have been established, we will contact you to assist with your application for your new Clientèle funeral policy.
4. Clientèle Life will issue you a new funeral policy with the same cover amount (sum assured) as your AIG policy. The funeral policy will be issued at the same premium that you are currently paying AIG.
5. Your waiting period will be calculated from the date of commencement from your original AIG policy, which means no new waiting periods will be instated.
6. This offer ends on 31 December 2023.
7. Please note that you will only be on cover with Clientèle Life once you have received confirmation from us.
8. Should you wish to update any of your details or add any new members, this can be done at a later stage.
